[Read by Jeff Rigenbach]

Mortimer Adler has devoted a lifetime to studying the great ideas and explaining even the most difficult concepts to the average citizen, earning *Time* magazine's praise as "a philosopher for everyman." In *We Hold These Truths*, Dr. Adler caps his life's work by illuminating the ideas and ideals that have made the United States of America a truly unique nation in the annals of history.

The ideas Adler examines include those at the core of the Declaration of Independence -- human equality, inalienable human rights, civil rights, the pursuit of happiness, and both the consent and dissent of the governed. These are the **ideas** that form the basis for the **ideals** found in the Preamble to the constitution that bind us together as a nation -- justice, domestic tranquillity, the common defense, the general welfare, and the blessings of liberty.
